CS-X BATTLE PAD DP

INTRODUCTION

The CS-X Battle Pad is engineered especially for e-sport professionals, who thrive on top notch tactical surfaces that provide nothing but deadly accuracy and control.

This mammoth pad is constructed with superior grade "A" Duracloth Plus™, weaved meticulously tight to provide pinpoint precision and highly responsive tracking. The CS-X Battle Pad is refined further through a special heat treatment process, offering a smooth surface with ultra fine glide. With its aggressive non-slip 100% natural rubber base, the CS-X Battle Pad stays reliably in place on all large desktop surfaces.
